Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations set under purely national exclusion grounds: Emphasis is put on the fact that in this competition all the rejection reasons in the procurement regulations § 24-2, including the purely national rejection reasons in the procurement regulations § 24-2 (2) and § 24-3 (3) letter in.

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document (ESPD), Notice, Procurement Document

Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer shall be a legally established company.

Norwegian tenderers: Company Registration Certificate. Foreign tenderers: Registration certificates in professional registers as determined by legislation in the countries in which the tenderer is established.

Criterion: Financial ratio

Description of selection criterion: Tenderers must have sufficient economic and financial capacity to fulfil the contract. Tenderers must as a minimum be credit worthy. Tenderers who have significant remarks/clarifications from the auditor on their credit rating can be rejected from the competition. • A credit rating based on the most recent financial figures. The rating shall be carried out by a company licensed to provide credit information. • The contracting authority reserves the right to carry out a credit assessment. The financial strength will be assessed in relation to turnover, operating degree, solidity and liquidity. • If a tenderer has a justifiable reason for not submitting the documentation required by the contracting authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems appropriate.

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers shall have settled financial conditions, including tax /VAT certificates, must not include significant arrears/amounts owed, which cannot be explained due to postponements granted by the Norwegian Tax Administration. The certificate must not be more than six months old. The certificate shall not be older than 6 months from the date of the contracting authority's award of contract. Foreign companies shall present certificates from equivalent authorities to the Norwegian authorities.

Criterion: References on specified works

Description of selection criterion: Tenderers shall have sufficient relevant experience to carry out the assignments under the framework agreement. Construction Manager and SHA: The requirement will be met if the tenderer has completed a minimum of three construction management assignments in the last five years and three SHA assignments where the

contract value for each contract assignment must have been at least NOK 50* million excluding VAT. At least one of these three assignments must apply to a building contract. At least one of these three assignments must apply to an infrastructure project. Consulting and SEARCH: The requirement will be met if the tenderer has completed a minimum of three consultant assignments in the last five years and three SØK assignments where the contract value for each contract assignment must have been at least NOK 50* million excluding VAT. At least one of these three assignments must apply to a building contract. At least one of these three assignments must apply to an infrastructure project.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Criterion: Environmental management measures

Description of selection criterion: Tenderers shall have a satisfactory environmental management system that manages how the company safeguards relevant environmental considerations. Description of the tenderer's environmental management system. The description does not need to show that the tenderer's system would fulfil an official certification, but show that the system is adapted to the tenderer's activities according to the contracting authority's needs. The qualification requirement will also be seen as fulfilled if the tenderer can submit certificates issued by independent bodies as documentation that the tenderer fulfils recognised environmental management systems or standards. In this case, it is not necessary to describe the environmental management measures.

Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have a satisfactory quality assurance system that manages how the company safeguards quality. Description of the tenderer's quality assurance system. The description does not need to show that the tenderer's system would fulfil an official certification, but show that the system is adapted to the tenderer's activities according to the contracting authority's needs. The qualification requirement will also be seen as fulfilled if the tenderer can present certificates issued by independent bodies as documentation that the tenderer fulfils the recognised quality assurance system or standards. In this case it is not necessary to describe the quality assurance system.

Information about the second stage of a two-stage procedure:

Minimum number of candidates to be invited for the second stage of the procedure: 3

Maximum number of candidates to be invited for the second stage of the procedure: 8

The procedure will take place in successive stages. At each stage, some participants may be eliminated

The buyer reserves the right to award the contract on the basis of the initial tenders without any further negotiations

5.1.10. Award criteria

Criterion:

Type: Cost

Name: Price

Description: The price shall be stated in the tender form. The price shall be stated in NOK excluding VAT. Amendments or additional clauses will not be accepted. The hourly rates shall apply for efficient work hours carried out for the Contracting Authority. Tenderers shall, upon request, present a certified timesheet or other satisfactory timesheet basis that documents the completed work. The offered hourly rates shall include all costs connected to the delivery, including work wages, social costs, administration, office costs, ordinary travel time, ordinary travel costs, overhead, profits and other variable and fixed costs that are necessary to provide

the services under the framework agreement. For assignments that involve special or comprehensive journeys outside the geographical area normally covered by assignments under the framework agreement, travel and living costs can be agreed separately between the Contracting Authority and the Supplier before the journey is carried out. Such costs shall always be pre-approved by the Contracting Authority and invoiced without mark-up, unless otherwise agreed in writing.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 30

Criterion:

Type: Quality

Name: Competence and management skills at the offered main assignment manager.

Description: One main assignment manager shall be offered for each tenderer. If a tenderer submits tenders for both sub-assignments, one main assignment manager can be offered per sub-assignment. The main assignment manager shall be the tenderer's primary contact point towards the Contracting Authority and have overall professional and administrative responsibility for deliveries under the framework agreement. The name of the offered main assignment manager shall be provided in the tender form. The competence shall be documented through a completed CV and reference form. The contracting authority plans to hold an interview with the offered main assignment manager. The interview will be carried out as an independent evaluation element and is not seen as a part of any negotiations. The interview will be conducted by the contracting authority together with a lawyer from SANDS. The interview will primarily be used to evaluate the resource's understanding of the role, assignment comprehension and communication and interaction abilities. The contracting authority can limit the number of tenderers who are invited to an interview to the 3-5 highest ranked tenderers after a provisional evaluation of the price and written tenders. Tenderers will receive further information on the time and execution of the interview after the tender deadline. The interview can be conducted physically or digitally. If, without a justifiable reason, the tenderer will not have the offered main assignment manager for an interview, this will be negatively emphasised in the evaluation.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 30

Criterion:

Type: Quality

Name: Assignment comprehension and methodology

Description: The objective: The criterium shall give the Contracting Authority the basis for assessing the tenderer's organisational ability to execute assignments under the framework agreement in a predictable, robust and efficient way. Documentation: Tenderers shall provide a response of maximum 4 A4 pages, font size 10. The response shall, as a minimum, describe: • the tenderer's organisation of assignments under the framework agreement. • systems and routines for quality assurance. • Methodology for risk management • routines for handling changes and deviations. • resource management and capacity planning • schemes for continuity in case of illness, holidays and resource loss. • internal competence sharing and transfer of experience • digital systems for interaction, document management and reporting. • how the tenderer ensures equal quality of deliveries independent of which persons who carry out the assignment.
