no

### **II.2.14. Additional information**

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

"Qualification Requirement:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian companies: Company registration certificate
- Foreign companies: Verification that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established."

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

"Qualification Requirement:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

- A credit rating based on the most recent financial figures. The rating must be carried out by a credit rating company with a license to conduct this service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

"Qualification Requirement:

Tenderers must have experience from comparable assignments.

Documentation requirement:

Description of up to 2 of the tenderer's most relevant/comparable assignments during the last 3 years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. Tenderers can document experience by referring to the competence of the personnel that may be used for this project, including experience that has been acquired while the personnel was in the service of another employer."

"Qualification Requirement:

Tenderers must have a good and well-functioning quality assurance and management system for the services that will be provided.

Documentation requirement:

Tenderers must submit documentation of their quality assurance system and management system. The following documentation will be accepted:

Certificate of the company's quality system/management system, issued by independent bodies that confirm that the tenderer fulfils quality assurance standards in accordance with ISO 9001 or equivalent,

or

A description that, as a minimum, covers the company's procedures/routines for:

- Dealing with deviations and claims
- The process from the receiving and registration of orders until a completed delivery to the customer".

"Qualification Requirement:

Tenderers must have an environmental management system.

Documentation requirement:

Tenderers must submit documentation of their environmental management system. The following documentation will be accepted:

- Valid attestation/certificates issued by independent bodies (e.g. ISO 14001, EMAS, Miljøfyrtårn or equivalent systems), or
- A description of the tenderer's own environmental management system. "
