Directive 2014/24/EU

Anskaffelsesforskriften - Procurement Regulations

2.1.6. Grounds for exclusion

Sources of grounds for exclusion: Notice

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, by enforceable judgement been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, involving European Communities or European Union member states (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions? Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Analogous situation like bankruptcy, insolvency or arrangement with creditors under national law: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

5.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 64200000 Telecommunications services

Additional classification (cpv): 32260000 Data-transmission equipment, 32412100

Telecommunications network, 32500000 Telecommunications equipment and supplies, 32522000 Telecommunications equipment, 45314000 Installation of telecommunications equipment

5.1.2. Place of performance

Country subdivision (NUTS): Oslo (NO081)

Country: Norway

5.1.3. Estimated duration

Duration: 84 Months

5.1.6. General information

Reserved participation:

Participation is not reserved.

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): yes

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are required to have a legally established company. Company Registration Certificate, foreign companies are required to have an equivalent certificate in the country where the company is registered, alternatively StartBANK.

Criterion: Enrolment in a relevant professional register

Description of selection criterion: Tenderers are required to have authorisation for installation and maintenance of the ecom networks. If a tenderer will use sub-contractors for work that requires authorisation, the sub-contractor shall have the necessary authorisation for the part in question for the delivery. A copy of a valid authorisation certificate from the Norwegian Communications Authority, Nkom, or information on authorisation number, certified business and the extent of the authorisation.

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers are required to have satisfactory financial implementation ability to fulfil their obligations during the entire contract period. The size of the turnover, seen in relation to the contract value, can be emphasised. Credit rating report from a certified body or the auditor confirmed accounts for the last three years. The Directorate of Public Construction and Property will carry out a credit rating of tenderers. Tenderers may, in addition, be asked to submit auditor confirmed annual accounts, alternatively state StartBANK ID.

Criterion: References on specified deliveries

Description of selection criterion: Tenderers shall have experience from assignments concerning delivery/establishment of new buildings and constructed buildings that ensure mobile coverage (operation) and, if a tender is submitted for an option, the establishment of emergency network coverage. Assignments for new buildings within the museum, culture and education sector are seen as particularly relevant. Tenderers shall provide 3-4 reference assignments for equivalent deliveries. For each reference assignment, an account shall be given of which mobile operators the delivery included, what role the tenderer had, how cooperation with the operators was organised and how the responsibilities and assignments were distributed between the tenderer, operators and any sub-suppliers.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Criterion: References on specified deliveries

Description of selection criterion: Tenderers shall have experience with cooperation with national mobile operators in relation to the equipment delivery, installation and operation of indoor mobile networks. An account of the cooperation in previous assignments and with information on the distribution of responsibilities and assignments between the parties.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Information about the second stage of a two-stage procedure:

Minimum number of candidates to be invited for the second stage of the procedure: 3

Maximum number of candidates to be invited for the second stage of the procedure: 5

The procedure will take place in successive stages. At each stage, some participants may be eliminated

The buyer reserves the right to award the contract on the basis of the initial tenders without any further negotiations

5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: Price
