Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Multi-Party Framework Agreement for Design Consultancy Services (in Five Lots) for Letterkenny Institute of Technology (LYIT) for Projects with Estimated Construction Value > EUR 1 000 000

Reference number: RFT 09/20

II.1.2. Main CPV code

71200000 Architectural and related services

II.1.3. Type of contract

Services

II.1.4. Short description

LYIT intends to establish a number of multi party framework agreements for design consultants as separate disciplines in five lots. The design consultants will act together as multi-disciplinary design teams for various projects and for other design related requirements arising within a 4-year period from the establishment of the framework in 2021.

Expressions of interest are invited from each of the following:

Lot 1: Architectural Design Services;

Lot 2: Quantity Surveying Services;

Lot 3: Civil/Structural Engineering Design Services;

Lot 4: Mechanical and Electrical Engineering Design Services;

Lot 5: Project Supervisor Design Process Services (PSDP).

Each consultant will be engaged directly by LYIT and once appointed will work as part of a team with the other consultant disciplines under the leadership of the project architect or other consultant as appropriate.

II.1.5. Estimated total value

Value excluding VAT: 6 850 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Architectural Design Services Incl. Specialist Skills

Lot No: 1

II.2.2. Additional CPV code(s)

71240000 Architectural, engineering and planning services, 71313200 Sound insulation and room acoustics consultancy services, 71317100 Fire and explosion protection and control consultancy services, 71351914 Archaeological services, 71400000 Urban planning and landscape architectural services, 71410000 Urban planning services, 71420000 Landscape architectural services, 71322500 Engineering-design services for traffic installations, 71200000 Architectural and related services, 71313000 Environmental engineering consultancy services

II.2.3. Place of performance

NUTS code: IE041 Border

Main site or place of performance: Co. Donegal.

II.2.4. Description of the procurement

(a) The architect will be the design team leader (unless noted otherwise at mini-competition stage).

(b) The architect will be required to provide all of the professional architectural services, including specialist skills of fire engineering design services, landscape architectural design services, sports pitch design, planning consultancy services, environmental consultancy

services, archaeological services and conservation architectural design services, acoustic consultancy services, and traffic and transportation engineering services, as necessary to comply with the requirements of each design brief including all post contract supervision as necessary to ensure the satisfactory completion of the project(s).

(c) Architectural Services shall also include, inter alia, the following services:

(i) The preparation, submission and attainment of all statutory approvals as may be required including:

(a) disability access certificates;

(b) planning approvals; and

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

As per the Suitability Assessment Questionnaire (QC1) available to download from www.etenders.gov.ie

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

Selection criteria as stated in the procurement documents

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Details will be included in the tender documents at Stage 2.

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Restricted procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators Envisaged maximum number of participants to the framework agreement: 5

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information**IV.2.2. Time limit for receipt of tenders or requests to participate**

Date: 23/12/2020 Local time: 15:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

Date: 06/02/2021

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information**VI.4. Procedures for review****VI.4.1. Review body**

Official name: The High Court

Postal address: Inns Quay

Town: Dublin 7

Country: Ireland

VI.5. Date of dispatch of this notice

23/11/2020
