Section II: Object

II.1. Scope of the procurement

II.1.1. Title

IT Operational Services

II.1.2. Main CPV code

72315200 Data network management services

II.1.3. Type of contract

Services

II.1.4. Short description

The procurement is for the delivery of software for office suite and a case management system as network cloud services (SaaS).

The current system is based on applications installed centrally at the operations supplier. Applications are only available on Citrix. All the servers are owned and run by the operations supplier. All the applications are standardised on a Microsoft platform with the exception of the pdf tool and case management system (Acos web case).

In order to receive the SSA-D annexes and requirement specifications and further documentation, tenderers must fill in and sign the attached confidentiality declaration. This is to be sent via the communication module in the Merzell portal. You will then be sent the documents via the communication module.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

48311000 Document management software package, 48450000 Time accounting or human resources software package, 48219300 Administration software package, 72212311 Document management software development services, 72212450 Time accounting or human resources software development services, 72220000 Systems and technical consultancy services, 72222300 Information technology services, 72266000 Software consultancy services

II.2.3. Place of performance

NUTS code: NO051 Hordaland

II.2.4. Description of the procurement

The Discrimination Committee would like to establish a new IT operations contract. The aim is that the contract will come into force in Q1 2019. The contract will be valid for 4 years, with an automatic extension for 1 year at a time until notice is given by one of the parties. (ref SSA-D). The contract has no end date, but the Discrimination Committee is obliged to hold a new competition when the market and competition considerations require one.

The Government Procurement Centre is covered by a joint framework agreement for PC clients for all government entities. This contract is valid from 16.11.2018 for 2 years, with an option for 1+1 year. The tenderer must provide the required assistance to implement to PC equipment and clients that come via the joint DIFI initiated contracts. The system must support all relevant manufacturers of clients that are delivered through the mentioned Framework Agreement.

This operational contract will only cover services that are not provided from joint government contracts, both existing and future. These contracts are described here <https://www.anskaffelser.no/avtaler-og-regelverk/fellesavtaler-staten-statens-innkjopssenter>

Deliveries that will be included in this contract are:

- access to applications,
 - user support services,
 - operation of servers,
 - operation of applications.
 - operation of the communication system between the Contracting Authority and the supplier.
- The operations environment must be located in the tenderer's premises.

II.2.5.

Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

The contract will renew automatically for 1 (one) year at a time, unless 6 (six) months notice is given by the Contracting Authority, or 12 (twelve) months notice by the Tenderer, before the renewal date.

II.2.10. Information about variants

Variants will be accepted: no
