Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: Procurement of suction and flushing services

Description: The total estimated scope of the entire contract is estimated to not be approx. NOK 8 million in the contract period. This is only an estimate based on previous turnover /expected turnover and is not binding for the Contracting Authority in the coming contract period. The agreement period will be from 16.02.2027 to 15.02.2031. The upper financial limit for the contract is estimated to be NOK 10 million. Tenders cannot be submitted for parts of the assignment. Based on BIR's own needs verification, the nature and scope of the assignment as well as cost/benefit assessments, a combined contract will be signed for the services included in this procurement. Sub-contracts will not be included in this case, as this will result in an increased delivery risk and increased administrative costs.
