I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

Public order and safety

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Incident Command Unit for HFRS

Reference number: HF16085

II.1.2. Main CPV code

34144210 Firefighting vehicles

II.1.3. Type of contract

Supplies

II.1.4. Short description

Hampshire Fire and Rescue Service (HFRS), invites applications from suitably experienced organisations to tender for the Incident Command Unit (ICU) project. ICUs (also known as

emergency response vehicles) are specialist fire vehicles deployed to major incidents providing essential equipment and technology to enable the ICU Team to manage fire crews and resolve incidents as safely as possible. The contract needs to be met in full, which means that organisations will need to work together to build the vehicles and supply and fit the technical equipment. This procurement shall include the purchase and build of the unit and also the on-going support and maintenance of the technical requirements. Interested parties should register their interest in the project via the In-Tend website <https://in-tendhost.co.uk/hampshire> and complete and submit the tender return document together with any supporting information requested by 12.00 on 11 January 2021.

II.1.5. Estimated total value

Value excluding VAT: 875 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

32570000 Communications equipment, 32000000 Radio, television, communication, telecommunication and related equipment

II.2.3. Place of performance

NUTS code: UKJ3 Hampshire and Isle of Wight

Main site or place of performance: Eastleigh.

II.2.4. Description of the procurement

The authority is looking to replace its existing command unit with a new and technologically advanced fully operational incident command unit, which will require on-going maintenance and support. The unit needs to be carefully designed to limit the overall size due to the nature of the infrastructure and remote locations the authority serves. Consortia applications and partner arrangements are encouraged and this could be led either by a vehicle bodybuilder or technical solution/communications provider. Part of the build shall include the supply of free issued IT equipment by the authority to be installed and reconnected into the new incident command unit. The authority has set out a full specification outlining its requirements, including full details of the existing technology to be incorporated into the new vehicle within the tender documents. The contract will commence on 26 January 2021. It is anticipated that the vehicle will be built within 18 months succeeded by the maintenance and support for the technical and communications equipment, which shall end in 2028. To apply, please register at <https://in-tendhost.co.uk/hampshire/> We recommend that you refer to the e-tendering guidance for suppliers which can be found by clicking on 'Information for Suppliers' at the top of the In-Tend home page. If your organisation is not registered on the Hampshire In-tend portal, please go to the website stated above and click on the 'Register' tab — registration is free. Logging into In-Tend (once registered)

- to view this opportunity please click on 'Tenders' then 'Current' and then scroll down to the project;
- incident Command Unit for HFRS - HF16085;
- selecting 'View Details' on the relevant opportunity;
- clicking the 'Express Interest' tab;
- following the on-screen instructions receiving notification emails to ensure important In-tend notifications are received by your organisation, please add the email domain '@in-tendorganiser.co.uk' to your safe senders list and check your spam filter settings.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 875 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 96

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

The authority reserves the right to extend the installation and implementation of the ICT system and support in an additional vehicle or building owned by the authority at any time during the life of the contract. The estimated total value set out in II.2.6) includes scope for this option should this be pursued by the authority.
