General public services

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Framework agreement for consultancy services within petroleum

Reference number: 22/885

**II.1.2. Main CPV code**

73200000 Research and development consultancy services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The Ministry of Petroleum and Energy (OED) has in several connections a need to undertake independent assessments of, and assistance with the work on different petroleum related and associated problems within the ministry's areas of responsibility. OED can require external assistance at such times. We emphasise a breadth in competence, tenderers ought, to a large

degree, be able to cover several topic areas within socio-economics, industrial economics, business economics, finance, resource management, insight and understanding in the global and regional energy markets, as well as more policy related problems. Competence within organisation development can also be relevant.

On this basis, OED would like to enter into parallel framework agreements with up to four different tenderers.

See annex 1 of the framework agreement for further details on the assignment (General description of the services within the framework agreement).

#### **II.1.6. Information about lots**

This contract is divided into lots: no

#### **II.1.7. Total value of the procurement**

Value excluding VAT: 10 000 000,00 NOK

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

71314000 Energy and related services, 71314200 Energy-management services, 73000000 Research and development services and related consultancy services, 73210000 Research consultancy services, 73220000 Development consultancy services, 90700000 Environmental services, 90711400 Environmental Impact Assessment (EIA) services other than for construction, 90713000 Environmental issues consultancy services

#### **II.2.3. Place of performance**

NUTS code: NO081 Oslo

#### **II.2.4. Description of the procurement**

The Ministry of Petroleum and Energy (OED) has in several connections a need to undertake independent assessments of, and assistance with the work on different petroleum related and associated problems within the ministry's areas of responsibility. OED can require external assistance at such times. We emphasise a breadth in competence, tenderers ought, to a large degree, be able to cover several topic areas within socio-economics, industrial economics, business economics, finance, resource management, insight and understanding in the global and regional energy markets, as well as more policy related problems. Competence within organisation development can also be relevant.

On this basis, OED would like to enter into parallel framework agreements with up to four different tenderers. The framework agreement has a three year duration from signing of the contract, with an option to extend for an additional year. The award of individual contracts within the framework agreement will be made both by a fixed distribution and mini-competitions, in accordance with the terms stated in annex 2 of the framework agreement (SSA-R).

The number of parallel framework agreements will depend on the number of received tenders from qualified tenderers. If there are fewer than four qualified tenderers that submit a tender in the contest, the number of tenderers that are awarded a framework agreement will be reduced. We encourage the use of sub-suppliers who have necessary additional competence. The estimated cost limit is approx. NOK 1 - NOK 2 million excluding VAT a year, total NOK 10 million excluding VAT over the entire contract period of four years (including the option). This is a non-binding estimate from the contracting authority, and the value of the contract can be higher/lower depending on the need that arises in the contract period. The intention is that the

framework agreement will cover OED's need for assistance with the work on different petroleum related problems, but without there being a procurement obligation. The framework agreement is not exclusive.

See annex 1 of the framework agreement for further details on the assignment (General description of the services within the framework agreement).

#### **II.2.5. Award criteria**

Quality criterion - Name: Expertise of the offered personnel. / Weighting: 60

Quality criterion - Name: Assignment comprehension / Weighting: 20

Price - Weighting: 20

#### **II.2.11. Information about options**
