NUTS code: FI1C1 Varsinais-Suomi

Main site or place of performance: Turku

**II.2.4. Description of the procurement**

We are interested in purchasing a fluorescence microscope with super-resolution capabilities, in particular we are searching for systems with fast 3D single-molecule imaging localization capabilities. A very important point is to have a compact and easy to transport system that can be transferred back and forth between laboratories with bio safety level 1 and 2 based on the needs of the samples. The transport and setup of the system should be simple enough that our trained personnel can do it without the need of the technical personnel from the provider.

**II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents
