Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: The competition is for a contract for security guard services.

The value of the procurement is estimated to be: NOK 1.6 - 2.4 million per annum. The total

value is an estimate and is not binding for the contracting authority. Staffing is expected as

today of 1 scales in the following period: Monday - Thursday at 12:00. 18:00 - 06:00 Friday -

Sunday from 15:00 - 07:00, 15:00 - 07:00. To place fire and check the triggering fire alarm to

the security guard service for the entire Ski hospital being assessed and this is an ongoing

dialogue in the municipality on responsibility and finance distribution of the service/task. Time

/need for training/qualification and how we shall make the security guards known in all areas.

Probably it will be necessary that the guards go one round per duty. Training of security

guards when triggering the alarm will then be invoiced according to the current hourly rates.

This function will thus only be included as an option for the contracting authority and will be

exercised if the municipalities agree on distribution of cost. See the requirement specifications
