Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement - Emergency clothing

Reference number: 21/15442

II.1.2. Main CPV code

35113000 Safety equipment

II.1.3. Type of contract

Supplies

II.1.4. Short description

The contracting authority needs to enter into a framework agreement for the delivery of emergency clothing for the fire service personnel.

Rogaland Brann og Redning IKS has established the company SASIRO AS, which is responsible for the operation of the public safety centre in Rogaland. The company can make call offs against the agreement without any obligations to do so.

If the tenderer has other clothing (shoes, gloves, caps, etc.) of a simpler variety, that is relevant in connection with emergency clothing, the Contracting Authority shall be able to purchase such products through this agreement but must not prevent the conclusion of separate agreements for such products.

II.1.5. Estimated total value

Value excluding VAT: 5 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Tenderers must as a minimum achieve a rating of 'Credit worthy', i.e. the tenderer must be in risk classification 5 or higher on the Experian scale.

Minimum level(s) of standards possibly required:

As documentation the contracting authority will obtain the credit evaluation Commercial Delphi Score from Experian (The contracting authority subscribes to services from Experian).

Tenderers are expected to have familiarised himself with registered information about the company and by submission of the tender accepts that the information will be obtained and form the basis of the assessment of the tenderer's economic situation.

Tenderers can attach a credit rating from a certified credit rating company showing that the tenderer fulfils the requirement. The credit assessment must be based on the last available accounting figures.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from at least two (2) assignments involving delivery of equivalent goods to a public contracting authority.

Minimum level(s) of standards possibly required:

Documentation requirement: Tenderers must attach a list of the most important relevant assignments the last 3 (three) years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. The references will only be contacted if required.

A tenderer can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another service provider.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Are stated in the tender documents with annexes.
