Value excluding VAT: 426 000,00 GBP

II.2. Description

II.2.3. Place of performance

NUTS code: UK United Kingdom

Main site or place of performance: London and Swindon.

II.2.4. Description of the procurement

UK Space Agency (UKSA) is the regulator of space launches for the UK and is developing a regulatory framework to support its role as regulator and requires innovative processes, tools and procedures to assess the end-to-end management of safety of these space launches and operations in the UK. The UK Health and Safety Executive (HSE) an Executive Non-departmental Public Body of the Department for Work and Pensions are the only competent sovereign authority with the necessary regulatory heritage able to provide the requirement of developing a regulatory framework which can enable UKSA to fulfil their role as regulator of space launches from the UK and associated operations.

The contract is for additional health and safety advisory services following on from an original contract awarded to HSE by UK Space Agency in 2018 (reference PR18124) which has since expired.

This contract has been awarded with reference to negotiated procedure without prior publication for above OJEU threshold award in accordance with regulation 32(5)(b) (additional deliveries) and 32(2)(b)(ii) (competition absent for technical reasons).

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- Additional deliveries by the original supplier ordered under the strict conditions stated in the directive

Explanation:

This award of a contract without prior publication or a call for competition in the official journal of the European Union is lawful as the services can only be provided by HSE as there is an absence of competition for technical reasons. HSE are the only body qualified to provide regulatory advice in the UK and therefore the authority are justified in awarding in accordance with regulation 32(2)(b)(ii). This contract also constitutes additional supplies so is also in accordance with Regulation 32(5) (b).
