Framework agreements - Consultancy services in the areas of Maintenance Management and Project Management

Reference number: 2023/1289

II.1.2. Main CPV code

79417000 Safety consultancy services

II.1.3.

Type of contract

Services

II.1.4. Short description

The framework agreements concern consultancy services related to safety, emergency preparedness and security in the petroleum activities on the Norwegian continental shelf and onshore, and other offshore industries including onshore facilities. The framework agreements can also cover assistance from consultants for assignments in Ptil's (the Petroleum Safety Authority Norway's) premises if needed.

The agreements include the following lots:

- Lot 1: Maintenance management in all stages of the petroleum activities and other offshore industries including onshore facilities
- Lot 2: Project management in all stages of the petroleum activities and other offshore industries including onshore facilities

The assignments will vary in extent from simple analyses or assessments to more in-depth reviews.

-Separate framework agreements shall be entered for each lot. Tenders can be submitted for one lot or both.

The framework agreements period is 2 years from 04.01.2024, with an option for a further extension of 1 year + 1 year.

II.1.5. Estimated total value

Value excluding VAT: 24 000 000,00 NOK
