Services de traitement des déchets issus des bennes communales.

II.2.5. Award criteria

Price

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

La présente consultation est lancée suivant la procédure de marché passé sans publicité ni mise en concurrence en application de l'article R. 2122-3 2o du code de la commande publique pour des raisons techniques. La consultation est lancée sur le fondement de l'article L. 541-1 II 4o du code de l'environnement, relatif à la prévention et la gestion des risques, qui souligne la nécessité «d'organiser le transport des déchets et de le limiter en distance et en volume selon un principe de proximité». La prestation consiste en la réception sur le site de Fouju/Moisénay des différents déchets issus des bennes communales, à savoir, déchets industriels banals, déchets de voirie, encombrants, végétaux... compte tenu de la proximité du site (11 km) et du temps de trajet (20 à 30 minutes), il est nécessaire de conclure le marché avec l'entreprise la routière de l'Est Parisien — 5 rue Robert Moinon — 95190 Goussainville dont la décharge se situe à Fouju — 77390. La 2de décharge la plus proche qui répond aux besoins de la Ville étant celle de Claye-Souilly distante de Dammarie-lès-Lys de 57 km nécessiterait 50 minutes de trajet. Il n'est donc pas envisageable d'attribuer le marché à un autre prestataire pour des raisons techniques liées à la fréquence des trajets (entre 1 et 3 par jour).

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice
