## Section III: Legal, economic, financial and technical information

---

### III.1. Conditions for participation

#### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

- The tenderer must be a legally established company.
- The tenderer must be registered with the Norwegian Directorate for Civil Protection (DSB) according to the Electrical Enterprise Register.
- The tenderer must be authorised by the Norwegian Communications Authority (Nkom).
- The tenderer must have their tax and VAT payments in order.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

- Tenderers must have the economic capacity to carry out the assignment/contract.

Minimum level(s) of standards possibly required:

- The contracting authority will obtain a credit rating based on the last known fiscal figures.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

- The tenderer must have a quality assurance system.
- The tenderer must have good capacity to fulfil the contract. Refer to the requirements specification.
- The tenderer must have experience from equivalent assignments.

Minimum level(s) of standards possibly required:

- Documentation of the tenderer's quality assurance system.

If the tenderer is certified, it is sufficient to enclose copies of certificates issued by independent bodies. If the tenderer is not certified it is sufficient to enclose the table of contents for the quality assurance system.

- A description of the tenderer's average annual workforce and the number of employees in the administration in the last three years. An organisation chart must be attached.
- A description of the tools, material and technical equipment that the tenderer has at disposal to fulfil the contract.
- A description of the proportion of the contract the tenderer is considering allocating to sub-contractors.
- A description of the tenderer's primary relevant assignments in the last three years. The description must include information of the assignment's value, date and recipient.
