I.2. Information about joint procurement

The contract involves joint procurement

In the case of joint procurement involving different countries, state applicable national procurement law:

The applicable national procurement law is that of Scotland, the national procurement law of the Lead Procurer

I.4. Type of the contracting authority

Body governed by public law

I.5. Main activity

Other activity: Technology research and development support

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

EuropeWave PCP Independent Experts
Reference number: COT155

II.1.2. Main CPV code

71621000 Technical analysis or consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The EuropeWave project wishes to engage with suitably qualified and experienced individuals to join a framework of assessors to be available for the assessments associated with the initial entry to the EuropeWave PCP programme and the subsequent phase gates. For each period of assessment activity, it is anticipated that at least three experts from the framework will be selected to join the Evaluation Committee to provide technical expertise during the assessment of applications.

This tender is for appointment for the framework of Independent Experts. The outcome of the tender will be a ranked list of potential suppliers. The contract will be awarded under a multi supplier framework basis (currently envisaged to be up to 10 suppliers).

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 110 000,00 EUR

II.2. Description

II.2.2. Additional CPV code(s)

71600000 Technical testing, analysis and consultancy services, 73200000 Research and development consultancy services, 73000000 Research and development services and related consultancy services, 79415200 Design consultancy services

II.2.3. Place of performance

NUTS code: UK United Kingdom

II.2.4. Description of the procurement

Independent Experts will be required to (the "Requirement"):

- Provide independent, impartial expert advice;
- Participate in an online meeting at which the requirement of the competition and the assessment process will be explained. The online meeting will be held in advance of evaluating any applications to ensure all assessors understand the requirement of the EuropeWave PCP entry and phase gates and the assessment process, and to provide an opportunity to ask questions prior to receiving the applications for review.
- Read and independently evaluate the applications for each (working remotely), covering both technical and commercial elements, using standard evaluation and scoring templates provided by the Procurers;
- Submit evaluation scoring prior to the Evaluation Committee meeting;
- Participate in the online Evaluation Committee meeting to discuss the evaluation of the applications;

- Provide written and verbal feedback/analysis of applications on completion of the evaluation process.

II.2.5. Award criteria

Quality criterion - Name: Relevant general experience and knowledge / Weighting: 20

Quality criterion - Name: Knowledge and experience of engineering design / Weighting: 30

Quality criterion - Name: Knowledge and experience of delivering complex engineering projects / Weighting: 30
