Norway – Non-hazardous refuse and waste treatment and disposal services – Procurement of a contract for a downstream system for concrete, brick, stone and spring mattresses.

OJ S 164/2026 26/08/2026

Contract or concession notice – standard regime

Services

1. Buyer

1.1. Buyer

Official name: Oslo kommune v/ Renovasjons- og gjenvinningsetaten

Email: postmottak@reg.oslo.kommune.no

Legal type of the buyer: Body governed by public law, controlled by a local authority

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: Procurement of a contract for a downstream system for concrete, brick, stone and spring mattresses.

Description: The aim of the procurement is to enter into downstream agreements that ensure that the waste fractions concrete, brick, stone and spring spring mattresses delivered by REG's customers at the recycling stations are received, sorted and recycled with as high a degree of material recovery as possible. In order to maintain and further develop the service offer to the municipality's inhabitants and minor businesses, REG must ensure legal disposal channels for the waste. The current downstream agreements with reception locations expire 31.12.26.

Procedure identifier: a845b880-912e-401f-a8d2-036658e1c504

Internal identifier: 7157

Type of procedure: Open

The procedure is accelerated: no

2.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 90513000 Non-hazardous refuse and waste treatment and disposal services

Additional classification (cpv): 90500000 Refuse and waste related services, 90510000 Refuse disposal and treatment, 90514000 Refuse recycling services

2.1.2. Place of performance

Country subdivision (NUTS): Oslo (NO081)

Country: Norway

2.1.4. General information

Legal basis:

Directive 2014/24/EU

2.1.5. Terms of procurement

Terms of submission:

Maximum number of lots for which one tenderer can submit tenders: 2

Terms of contract:

Maximum number of lots for which contracts can be awarded to one tenderer: 2

2.1.6. Grounds for exclusion

Sources of grounds for exclusion: Notice

Analogous situation like bankruptcy, insolvency or arrangement with creditors under national law: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, by enforceable judgement been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, involving European Communities or European Union member states (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42).

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and

Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Offence concerning its professional conduct in the domain of defence procurement: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Lack of reliability to exclude risks to the security of the country: Is the tenderer assessed to lack the reliability necessary to exclude the risk of national security?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

5. Lot

5.1. Lot: LOT-0001

Title: Sub-assignment 1: Receipt and treatment of concrete, brick and stone.

Description: The aim of the procurement is to enter into downstream agreements that ensure that the waste fractions concrete, brick, stone and natural stone delivered by REG's customers at the recycling stations are received, sorted and recycled with as much material recovery as

possible. In order to maintain and further develop the service offer to the municipality's inhabitants and minor businesses, REG must ensure legal disposal channels for the waste. The current downstream agreements with reception locations expire 31.12.26. In this contract, transport to the reception place will occur with REG's own vehicles, which are driven on biogas.

Internal identifier: 9442

5.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 90513000 Non-hazardous refuse and waste treatment and disposal services

Additional classification (cpv): 90500000 Refuse and waste related services, 90510000 Refuse disposal and treatment, 90514000 Refuse recycling services

5.1.2. Place of performance

Country subdivision (NUTS): Oslo (NO081)

Country: Norway

5.1.3. Estimated duration

Start date: 01/01/2027

Duration end date: 01/02/2031

5.1.4. Renewal

Maximum renewals: 2

Other information about renewals: 1 + 1 year. There is an option to extend the contract after 01.02.2029 for 1+1 year.

5.1.6. General information

Reserved participation:

Participation is not reserved.

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): yes

5.1.7. Strategic procurement

Aim of strategic procurement: Reduction of environmental impacts

Description: Reduction of environmental impact

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer shall be a legally established company.

Documentation requirements: Norwegian companies: Company Registration Certificate.

Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Criterion: Other economic or financial requirements

Description of selection criterion: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: The company's last Annual Financial Statements including notes, the Board's Annual Report and Audit Report, as well as new information of relevance to the company's fiscal numbers. The contracting authority reserves the right to obtain credit appraisal on its own initiative. If a tenderer has a justifiable reason (e.g. newly started company) of not submitting the documentation that the

Contracting Authority has required, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Criterion: Environmental management measures

Description of selection criterion: Tenderers are required to have implemented environmental management measures that ensure that the tenderer is suitable to fulfil the contract's environmental provisions. This means that the tenderer has methods for working actively and systematically to reduce negative environmental impact from activities connected to the execution of this contract. Documentation requirements: A description of the tenderer's environmental management measures. If a tenderer has certificates from independent bodies that document the environmental management system, they can be presented as documentation. Refer to the EU Scheme for Environmental Management and Environmental Audit (EMAS), other recognised environmental management systems in regulation (EF) no. 1221/2009 article 45, or equivalent, and other environmental management standards based on relevant European or international standards from accredited bodies such as ISO 14001 or equivalent. Alternatively, tenderers can enclose a description of the company's own system and routines for following up the environment and quality.

Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have a relevant quality assurance system for the content of the contract. Documentation requirements: A description of the tenderer's quality assurance methods. Alternatively: Certificate for the company's quality assurance system issued by independent bodies that confirms the tenderer fulfils certain quality assurance standards, for example ISO 9001:2015.

Criterion: References on specified deliveries

Description of selection criterion: Tenderers shall have experience from equivalent assignments. Documentation requirements:

Criterion: Average yearly manpower

Description of selection criterion: Tenderers shall have good implementation ability with sufficient resources to fulfil the assignment. Documentation requirements: Organisation chart and overview of the offered personnel for the execution of the assignment.

Criterion: Certificates by quality control institutes

Description of selection criterion: Necessary concessions and licences to be able to carry out the assignment. Documentation requirements: Copy of concessions for the reception and final treatment plant.

Criterion: Certificates by quality control institutes

Description of selection criterion: Necessary export permits if the waste shall be exported. Documentation requirements: Copy of any export permissions.

5.1.10. Award criteria

Criterion:

Type: Price

Description: Cost (NOK/tonne + transport costs)

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 70

Criterion:

Type: Quality
Description: Transport distance to final treatment facility
Category of award weight criterion: Weight (percentage, exact)
Award criterion number: 30

5.1.11. Procurement documents

Access to certain procurement documents is restricted
Information about restricted documents is available at: <https://app.artifik.no/procurements/7157>
