## **Type of contract**

Services

### **II.1.4. Short description**

Mattilsynet [the Norwegian Food Safety Authority] shall enter into a framework agreement with a dedicated tenderer that must cover Mattilsynet's need for software licences for operation, development and end-users in the coming years. The agreement does not apply to Microsoft licences but is intended to cover software from rights holders other than Microsoft. Purchase /hire of platform services in a cloud will not be included. However, the agreement may include SAAS services / software offered to end users.

The framework agreement will also contribute to ensuring that the department is correctly and optimally licensed, as well as ensuring consultancy services if required within reviews of and negotiations for software. The agreement shall therefore ensure that Mattilsynet [the Norwegian Food Safety Authority] always has access to the necessary software licences and accompanying services to meet current and future needs at competitive prices.

### **II.1.5. Estimated total value**

Value excluding VAT: 32 000 000,00 NOK

### **II.1.6. Information about lots**

This contract is divided into lots: no

## **II.2. Description**

### **II.2.2. Additional CPV code(s)**

48000000 Software package and information systems, 72000000 IT services: consulting, software development, Internet and support, 72212218 License management software development services, 72266000 Software consultancy services, 72268000 Software supply services

### **II.2.3. Place of performance**

NUTS code: NO Norge

### **II.2.4. Description of the procurement**

The main objective of the procurement is to establish a framework agreement with a dedicated tenderer that will cover Mattilsynet's need for software licences for operation, development and end-users in the coming years. The agreement does not apply to Microsoft licences but is intended to cover software from rights holders other than Microsoft. Purchase/hire of platform services in a cloud will not be included. However, the agreement may include SAAS services / software offered to end users.

The framework agreement will also contribute to ensuring that the department is correctly and optimally licensed, as well as ensuring consultancy services if required within reviews of and negotiations for software. The agreement shall therefore ensure that Mattilsynet [the Norwegian Food Safety Authority] always has access to the necessary software licences and accompanying services to meet current and future needs at competitive prices.

The agreement period is 2 years, with an option for 2 years extension, one year at a time. The estimated total value of the 4-year agreement is approx: NOK 32 million, excluding VAT, including options

### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents
