**II.1.4. Short description**

The procurement concerns a Framework agreement for the purchase of electrical and automation work.

The aim is to enter into parallel framework agreements with up to two tenderers.

The contract value is estimated at NOK 4,000,000 excluding VAT for the entire contract period. The estimated value of annual contracts is based on previous historical figures and approximate estimates. This estimate must be seen as a binding volume for procurements under the framework agreement. The procurement of electrical and automation work will vary from year to year, in-line with the Contracting Authority's need.

The contracting authority reserves the right to announce a separate contests for major building and construction projects.
