Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

See the tender documentation.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have the financial capacity to implement the assignment.

Documentation requirement: Tenderers must have sufficient economic and financial capacity to comply with the contractual terms. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement. The contracting authority will assess the tenderer's fulfilment of the qualification requirement in the following ways: -Credit rating based on the last known accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service. - The credit rating shall have a minimum score of creditworthy. - Recently established companies, or companies that are rated lower than credit worthy, can instead present a parent company guarantee, bank guarantee or the auditor's report that can document sufficient economic and financial capacity to fulfil the contractual obligations. - If a parent company guarantee is submitted, the parent company will be rated in an equivalent manner so the requirement for creditworthiness thus applies to the parent company. See Annex 7, parent company guarantee. If a tenderer has valid reasons for not being able to

provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderer's technical and professional qualifications.

Documentation requirement: Tenderers must have experience from comparable assignments.

Description of up to three of the tenderer's most relevant assignments in the last three years.

The description must include a statement of the assignment's scope/value, date, and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description.
