This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: NO074 Troms og Finnmark

Main site or place of performance: Neiden.

II.2.4. Description of the procurement

Sør-Varanger Municipality would like to enter into a framework agreement for winter maintenance on municipal roads, county roads, and parking spaces in Neiden. The total road network for all the areas covered by the assignment is approx. 22,919 m.

The contract duration is from when the contract is signed for the snow clearing seasons 2023-2024, 2024-2025, and 2025-2026.

In addition the contracting authority will have an option to extend for the snow clearing season 2026-2027. The total duration of the contract is therefore 3+1 seasons - maximum 4 seasons.

The snow clearing season is from 15 October in the current year until 1 May in the following year, for example from 15 October 2023 until 1 May 2024.

The contract primarily includes:

- Snow ploughing/snow clearing
- Sanding

A comprehensive description of the work is given Annex 1 - Requirements Specification with associated annexes.

The total value over three seasons is calculated to maximum NOK 4,400,000 excluding VAT, including a fixed price for the snow clearing seasons and any additional work.

II.2.5. Award criteria

Criteria below

Price

II.2.6. Estimated value

Value excluding VAT: 4 400 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

End: 01/05/2026

This contract is subject to renewal: yes

Description of renewals:

1 extension of 12 months

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13.

Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company Registration Certificate
- Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient economic and financial capacity to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation: A credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

a) Tenderers must have experience from comparable assignments.

Documentation requirement for letter a: Completed form, annex no. 6

b) Tenderers must have sufficient implementation ability and capacity.

Documentation requirement for letter b:

1) A description of the tools, material and technical equipment that the tenderer has at its disposal for fulfilment of the contract.

2) An organisation chart with names and CVs for the key personnel involved in the assignment.
