Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Criterion: Authorisation or membership of a particular organisation needed for service contracts

Description of selection criterion: Is it necessary to have specific authorisation from a particular organisation in order to provide the service in the tenderer's home country?

Criterion: Authorisation or membership of a particular organisation needed for service contracts

Description of selection criterion: Is it necessary to have a particular membership in a particular organisation in order to provide the service in the tenderer's home country?

Criterion: Measures for ensuring quality

Description of selection criterion: For goods or services that are complicated or that in exceptional cases shall be used for a particular purpose: Will the tenderer allow checks of the tenderer's production capacity or technical capacity and, where necessary, of the survey and research facilities that the tenderer has at its disposal and of quality control measures? The

inspections shall be undertaken by the contracting authority or the contracting authority can leave it to a competent public body in the country where the tenderer is established.

Criterion: Samples, descriptions, or photographs without certification of authenticity

Description of selection criterion: Procurement of goods: The tenderer presents supplies that shall be delivered, requested samples, descriptions or photographs, which do not need to be accompanied by certificates that they are genuine.

Criterion: Samples, descriptions, or photographs with certification of authenticity for supply contracts

Description of selection criterion: When procurement of goods: If requested, the tenderer further declares that they will deliver the requested certificates that they are genuine.

Criterion: Certificates by quality control institutes

Description of selection criterion: Can tenderers submit the requested certificates issued by official bodies for quality control, and who can confirm that the goods, which are clearly identified by reference to technical specifications or standards, as determined in the notice or in the procurement documents, are in accordance with these?

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements?

Criterion: Certificates by independent bodies about environmental management systems or standards

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards?
