**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Snow clearing on municipal roads and properties in Jevnaker Municipality

Reference number: 2021/1407

**II.1.2. Main CPV code**

90620000 Snow-clearing services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Jevnaker Municipality invites tenderers to a tender contest for snow clearing on municipal roads and properties.

The framework agreement will be valid for two years with an option to extend for one year at a time, until a maximum duration of four years.

The snow clearing is split into 8 areas/sub-contracts. Tenders can be submitted for one or several areas.

How to submit a tender

Tenderers must submit one tender for each area. It is not possible to submit a tender for several areas at the same time, as each area is set up as a separate sub-contract.

Questions concerning the tender competition

All questions about the contest are to be sent via Merccell.

The questions will be made anonymous and the answers will be continually sent to all tenderers who have shown an interest in the contest.

Evaluation:

The tenders will be evaluated on a fixed price for five snow clearing sessions per season, plus a price for three additional snow clearing sessions per season.

See the attached tender documentation for further information.

#### **II.2.4. Description of the procurement**

Jevnaker Municipality invites tenderers to a tender contest for snow clearing on municipal roads and properties.

The framework agreement will be valid for two years with an option to extend for one year at a time, until a maximum duration of four years.

The snow clearing is split into 8 areas (sub-contracts), and tenders may be submitted for one or several areas.

This sub-contract is for area 1 - the west side. See the attached map.

Prices

A fixed price is to be given for 5 snow clearing sessions per winter season. In addition, a unit price is to be given that applies from the 6th trip.

The prices must be given separately in Merccell for municipal roads and foot and cycle paths, and for municipal properties.

Hourly rates are only to be given in the attached tender letter, see the tender documentation chapter 3.3 -Tender

Evaluation:

The evaluation will be based on an 'average season' where there is a need for 5 snow clearing sessions + 3 extra snow clearing sessions. The total cost of snow clearing over four years will form the basis for a price comparison between the tenderers.

Contract signing

The contract will be signed as soon as possible after the contest has been held.

Rejection of tenders

The contracting authority reserves the right to accept any tender, or to reject all the tenders.

Tenders with shortcomings can be rejected.
