II.2.4. Description of the procurement

The Storting hereby invites tenderers to an open tender contest for a framework agreement for the execution of uncertainty analyses and quality assurance, and a contract (KS1) for a choice of concept study (Norwegian: KVVU) for the Storting's building extension to Akersgata. The choice of concept will be presented to the Storting in March 2024. Regarding the KS 1 for government investment projects, reference is made to circular R-108 Government project model - Requirements for assessment, planning and quality assurance of major government investment projects.

Startup of the KS 1 will take place in mid-November 2023.

In special cases, it may be relevant to award assignments for uncertainty analyses and quality assurance to tenderer other than the tenderer to whom the framework agreement is awarded. For a more detailed description of the framework agreement and the KS1 assignment and the conditions for these, refer to Annex 1 and other appendices to the tender documentation.
