**II.1. Scope of the procurement**

**II.1.1. Title**

Consultancy services for a concept review for a new joint nitrogen treatment plant for 5 municipalities.  
Reference number: 23228

**II.1.2. Main CPV code**

71300000 Engineering services

**II.1.3. Type of contract**

Services

#### **II.1.4. Short description**

The contest is for the delivery of consultancy services for a concept review for a new joint nitrogen plant for 5 municipalities.

The municipalities in Vestfold have received notification from the County Governor that nitrogen treatment will be required. The County Governor expects that the municipalities start planning work in order to meet such future requirements.

Holmestrand, Horten, Tønsberg, Færder, and Sandefjord Municipalities have decided to start a concept review (this assignment) in order to better assess the most relevant alternatives for a possible collaboration.

This assignment is subject to the municipalities' decision on participation in this project. See the procurement documents for further information.

#### **II.1.5. Estimated total value**

#### **II.1.6. Information about lots**

This contract is divided into lots: no

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

71240000 Architectural, engineering and planning services, 71310000 Consultative engineering and construction services, 71318000 Advisory and consultative engineering services

#### **II.2.3. Place of performance**

NUTS code: NO091 Vestfold og Telemark

Main site or place of performance: Holmestrand, Horten, Tønsberg, Færder, and Sandefjord Municipalities.

#### **II.2.4. Description of the procurement**

The project must result in a recommended system (concept) for each municipality with a sufficient degree of detail so that the municipalities can make a binding decision on the concept and cost limit.

The value of the procurement is estimated to be: NOK 10,000,000 - NOK 15,000,000 excluding VAT over the EEA threshold value. The value is an estimate and is not binding for the contracting authority.

Lots/groups

Tenders cannot be submitted for parts of the assignment, and alternative tenders are not allowed. The contracting authority considered dividing the assignment but has decided that it is not suitable for this type of procurement.

Contract NS8402

Contract period. The contract is expected to awarded by 2023-12-04.

Contract provisions: The contractual relationship is governed by NS 8402:2010. The tender documentation annex is part of the contract documentation. Tenderers must familiarise themselves with all the contract terms.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6. Estimated value**

#### **II.2.7.**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tax and VAT certificates

Tenderers must have their tax and VAT payments in order (ESPD: Part II A.e).

Documentation requirement: Requirement for certificate of paid VAT, tax and social security contribution. A certificate issued by the competent authority in the tenderer's country, confirming that the tenderer has met the obligations in regard to payment of VAT, tax and social security contributions in the country where the tenderer/contractor has its headquarters the (Norwegian certificate for Tax and VAT is combined and ordered from altinn.no, RF-1507, previously RF-1244) in accordance with the legislation in the country where the tenderer is registered. The certificate must not be more than six months old.

The contracting authority is not allowed to request the certificate if he has already received it, in accordance with the regulations § 17-1(4). If you have submitted a tax certificate and it is still valid at the tender submission deadline for this contest, you are not obliged to submit a certificate now. If this is the case, state when and to whom the certificate was previously submitted. You can, however, attach the certificate voluntarily if you want.

Other economic and financial requirements: Economic and financial standing

Requirements regarding the tenderer's economic and financial standing: The financial capacity to fulfil the contract is required (ESPD: Part IV B.58-3).

Documentation: The contracting authority will assess finances through the company and accounting information system Proff Forvalt ([www.forvalt.no](http://www.forvalt.no)). The contracting authority reserves the right to obtain supplementary information about the tenderer's finances.

Any need for support from other companies in order to fulfil this qualification requirement: If a tenderer is dependent on other companies to fulfil this qualification requirement, an account thereof must be given below. In such cases the contracting authority will assess the finances of the supporting company in the same way. The contracting authority retains the right to collect supplementary information, bank guarantees or similar.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Other technical and professional qualifications.

Tenderers must document a completed concept review, preliminary project, or detailed engineering design services for a sewage treatment plant in Norway of minimum 30,000 PE in the last 5 years.

Documentation requirement:

A completed concept review, preliminary project, or detailed engineering design services for a sewage treatment plant of minimum 30,000 PE in the last 5 years.
