5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Other economic or financial requirements

Description of selection criterion: Requirements of the tenderer's economic and financial capacity. Tenderers must have sufficient financial capacity to fulfil the contract. In order to fulfil the requirement, it is sufficient for the tenderer to be assessed as credit worthy based on Experians Commercial Delphi score. If a tenderer is assessed lower than credit worthy, the contracting authority can undertake an overall assessment based on additional information. Documentation requirements: The contracting authority will obtain a credit rating from Experian. If there is doubt, the Contracting Authority can obtain further information from the tenderer.

Criterion: References on specified works

Description of selection criterion: Requirements regarding the tenderer's technical and professional qualifications. Tenderers shall have relevant experience. Documentation requirements: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall present the following documentation proof upon request: * An overview of at least 3 (maximum 5) of the most important, relevant work performed during the last three years, including a short description of the assignment, the name of the public or private recipient, as well as information on value/amount/scope and date. A tenderer who is newly established and cannot submit references, must be particularly careful to document and

substantiate that they still have the prerequisites required to carry out the assignment. Newly established tenderers can document that the requirement is fulfilled by referring to experience that the offered persons/resources have built up in the service of others than the tenderer.

Criterion: Average yearly manpower

Description of selection criterion: Requirements regarding the tenderer's technical and professional qualifications. The tenderer must have sufficient implementation ability.

Documentation requirements: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall present the following documentation proof upon request: * An account of how sufficient capacity shall be ensured for this assignment. A manpower plan shall be enclosed for the assignment, showing the number of our own employees, hired persons, etc.

Description: The procurement of interior architect services is seen as a procurement that is justified in its nature to have a climate footprint and an environmental impact that is immaterial in accordance with §7-9(5). The procurement concerns consultancy and interior architect services without the delivery of goods or materials. Regarding the assignments that the tenderer designs for the Contracting Authority, it is primarily the Contracting Authority's used furniture that shall be used, or furniture in the joint governmental DFØ contract for the procurement of office furniture that the Contracting Authority is connected to, where there are considerable requirements for climate and environment. The Norwegian Public Roads Administration is therefore exempt from the obligations to weight the environment 30% or to prioritise the environment among the three highest prioritised award criteria.
