NHS North West Surrey CCG (NWC CCG) will continue to hold the budget for this outside of the newly procured contract and the pathway for these clients will remain unchanged. Bidders should note that when the procurement strategy for the contract renewal is designed, the option to move Spelthorne clients into the Surrey requirement will be

considered. Any decision to move this cohort of clients into this contract will be discussed with the awarded contractor but delivery of the service will be under the same contract terms and conditions and specification.
