no

## II.2.14. Additional information

### Section III: Legal, economic, financial and technical information

---

#### III.1. Conditions for participation

##### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company

No tax and duty arrears.

The tenderer shall have an established health, safety and environment system.

##### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement for financial capacity to complete the Tender that gives the Client certainty of a robust and secure delivery during the Contract period.

Minimum level(s) of standards possibly required:

Credit rating equivalent to score A (credit worthy) or better, measured on the Bisnode Norge AS AAA rating system, or equivalent score from other reputable credit rating agencies. The rating must be based on the last known accounting figures and it must be carried out by a credit information agency with permissions thereof.

Newly started companies with a credit rating of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to submit a credit rating as documentation that the qualification requirement is satisfied. In such cases, this can be compensated by providing alternative documentation together with the tender.

##### III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderer shall possess the organisation, plant and equipment and adequate human resources necessary to execute the assignment as described in the Tender documentation. All contact persons and all personnel in contact with the Contracting Authority shall at least be able to communicate in English, but should preferably be in command of a Nordic language.

Minimum level(s) of standards possibly required:

On request from the contracting authority, the tenderer shall provide:

The tenderer shall provide a complete description of the overall organisation (current and planned), including an organisation chart and job descriptions concerning responsibility, authority and collaboration.

The skills of any key personnel already affiliated to the tenderer. A description of the skills required for any planned future personnel performing key tasks.

A description of any subcontractors and the skills, plant and equipment capacity, responsibility and assignments that they will possess.
