II.2.4. Description of the procurement

The winter maintenance will consist of snow clearing and gritting. For some parts of the area, snow clearing must take place manually or with the help of snow blowers. There are also areas that require manual gritting.

Suppliers themselves must have suitable equipment/tools/materials adapted to the assignment. The number of snow clearing and gritting assignments will vary each winter season depending on downfall and temperature. Ringsaker Municipality requests fixed prices per tour for snow clearing and for gritting through the contract period.

The agreement is valid from the date of signing the contract until 30 August 2020. The client has the option to extend the contract for 1 year so that the contract can be coordinated with the other contracts for winter maintenance of municipal properties.
