Title: DIO - Stage engineering assistance

Description: The DIO shall cover all needs related to technical stage assistance, but the primary event will be Arendalsuka. The scope concerns technical assistance for production of stage content and lectures during Arendalsuka, among other things. This includes technical coordination, technical equipment and technical manpower. Concerns a high degree of service, stretches longer than just its discipline, and takes one overall responsibility for seamless liquidation. This contract involves sound, lighting and stage, and in some cases also AV technical systems. Contact ak.anskaffelser@arendal.kommune.no if you need technical stage assistance.
