Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Framework agreement for collection, simulation and analysis of meteorological and oceanographic data

Reference number: 23/30498

II.1.2. Main CPV code

71351210 Geophysical consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The Norwegian Public Roads Administration, the Department for Development (henceforth referred to as the contracting authority) shall enter into parallel framework agreements with several tenderers for the delivery of measurements, simulations and analyses of wind, wave and current data and services thereof.

The aim of the framework agreement is to assist the Contracting Authority with mapping, modelling and analysing processes connected to assignments assumed that the Contracting Authority does not have the capacity to carry out the work internally.

The framework agreement is divided into 5 lots:

Lot 1. Collection of wind and other meteorological data

Lot 2. Collection of oceanographic data

Lot 3. Analysing and modelling wind and other meteorological parameters.

Lot 4. Analysing and modelling waves.

Lot 5. Analysing and modelling current and other oceanography

The aim is to enter into identical parallel framework agreements with 2-3 tenderers for each lot

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

38120000 Meteorological instruments, 71351922 Physical oceanography services, 71354500 Marine survey services, 38420000 Instruments for measuring flow, level and pressure of liquids and gases, 71620000 Analysis services, 72314000 Data collection and collation services

II.2.3. Place of performance

NUTS code: NO Norge

II.2.4. Description of the procurement

The Norwegian Public Roads Administration, the Department for Development (henceforth referred to as the contracting authority) shall enter into parallel framework agreements with several tenderers for the delivery of measurements, simulations and analyses of wind, wave and current data and services thereof.

The aim of the framework agreement is to assist the Contracting Authority with mapping, modelling and analysing processes connected to assignments assumed that the Contracting Authority does not have the capacity to carry out the work internally.

The framework agreement is divided into 5 lots:

Lot 1. Collection of wind and other meteorological data

Lot 2. Collection of oceanographic data

Lot 3. Analysing and modelling wind and other meteorological parameters.

Lot 4. Analysing and modelling waves.

Lot 5. Analysing and modelling current and other oceanography

The aim is to enter into identical parallel framework agreements with 2-3 tenderers for each lot

II.2.5.

Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority has an option to extend the contract for an additional one + one year.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The tenderer must have the requisite financial foundation to be able to fulfil the contractual obligations. The following will be looked at/assessed:

- The tenderer must be creditworthy.
- The tenderer shall have positive equity.

Minimum level(s) of standards possibly required:

See the tender documentation.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderer must have competence and experience in the relevant lot(s) for which he submits tender, and have carried out assignments of a relevant nature, degree of difficulty and scope. C.f. the descriptive part in Chapter D.

Minimum level(s) of standards possibly required:

See the tender documentation.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

See the tender documentation

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 15/12/2023 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 01/05/2024

IV.2.7. Conditions for opening of tenders

Date: 15/12/2023 Local time: 12:00

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body
