II.1.1. Title

Dynamic Purchasing System and Consultancy Services within Integration

Reference number: 19/676

II.1.2. Main CPV code

72000000 IT services: consulting, software development, Internet and support

II.1.3. Type of contract

Services

II.1.4. Short description

DFØ [the Norwegian Government Agency for Financial Management] wants to offer our customers and management a better platform for data exchange, while keeping the burden on the source systems as low as possible. This his may include, for example, making procurements, HR, payroll and accounting information available without affecting important service deliveries.

The Norwegian Government Agency for Financial Management] currently has multiple systems in the project, purchasing, invoicing, wages HR and accounting. In the near future there may be new systems as a result of the expanded delivery areas and system solutions. The important points that the Norwegian Government Agency for Financial Management wants to achieve in the long-term are:

- a good solution to deliver data at DFO's customer and management,
- a good solution to offer API based integrations to clients and the administration.

This scheme concerns consultancy services in integration.

II.1.5. Estimated total value

Value excluding VAT: 100 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no
