no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirements: Tenderers must be a legally established company.

Documentation:

Norwegian companies: Company registration certificate or a printout from the Unit Register for sole proprietorships not required to register.

Foreign tenderers: Verification that the tenderer is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. The verification can be submitted in writing or by referring to BRIS.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Paid taxes and duties.

Documentation:

A certificate, not older than 6 months, which verifies that the tenderer has fulfilled the obligations of payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities. Requirement: Tenderers must have sufficient economic and financial capacity to fulfil a contract of an equivalent nature and scope, in which amongst other things being creditworthy without any requirement for collateral will be adequate.

Documentation:

A credit rating with key figures from a recognised credit assessment company, or other form of documentation to verify that the requirement has been met.

The credit rating must contain the credit rating degree (rating) of tenderers, typically given with a rating code or brief text. The rating must include, or an explanation of the rating code/scale of possible rating codes, must be attached.

The rating ought to be based on the last annual accounts.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

Tenderers must have sufficient ability and experience to be able to execute a contract of a similar nature and scope.

Documentation:

A description of up to three of the tenderer's most relevant assignments in the last three years, together with information on the contract's value, date of delivery or execution, and the name of the recipient (if possible).

Relevant assignment means work for equivalent contracts, deliveries of cleaning machines, parts service, etc. Tenderers are themselves responsible for

Tender documentation - Framework agreement for the delivery of cleaning machines and associated equipment and services.

10 of 12

Qualification requirements, Documentation requirement

the description is of such a nature that it documents that the requirement is met.

Requirement:

Tenderers must have sufficient capacity to be able to execute a contract of a similar nature and scope.

Documentation:

- A statement of the tenderer's average annual workforce in the last three years.

III.1.5. Information about reserved contracts

The execution of the contract is restricted to the framework of sheltered employment programmes

Section IV: Procedure

IV.1. Description
