## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tax certificate:

The selected tenderer will be required to present a tax certificate and a VAT certificate. The tax certificate must not be older than 6 months old at the deadline for submitting a request for participation in the competition or tender. For building and construction contracts, the tenderer shall require an equivalent tax certificate from all sub-suppliers when contracts are signed for the assignment with a value exceeding NOK 500 000 excluding VAT.

Company registration certificate:

Requirement:

- tenderers must be a legally established company.

Documentation requirement:

- Norwegian companies: company registration certificate.
- Foreign tenderers: verification that the company is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Requirement:

- Tenderers must have sufficient economic capacity to implement the assignment. The contracting authority will, under this point, assess credit worthiness, turnover, annual results, and key figures in the balance sheet.
- Annual minimum turnover of NOK 50 million.

Documentation requirement:

- The tenderer's latest annual financial statements or extracts thereof if the publication of the annual financial statements is required in the state where the tenderer is established.
- Credit ratings (no older than 6 months) (The contracting authority reserves the right to collect separate credit information).

Minimum level(s) of standards possibly required:  
See the tender documentation and Annexes.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Requirement:

- Tenderers are required to have sufficient experience with the execution of equivalent assignments of equal complexity and scope of company level.

Documentation requirement:

A description must be given of 2-4 reference projects with a transferable value from the last 5 years, with information on, amongst other things:

- the name of the project;
- the contracting authority and a reference person;
- the project's size and cost;
- type of contract and the company's assignment/role in the project;
- type of works.

All of the above points are to be responded to per project.

In order to ensure sufficient competition, documentation of assignments carried out more than 5 years ago will also be taken into consideration.

Minimum level(s) of standards possibly required:

See the tender documentation and Annexes.

## **III.2. Conditions related to the contract**

### **III.2.2. Contract performance conditions**

The contract is based on NS 8405 with Oslo Municipality's associated contract formula. See the tender documentation and Annexes.

NB: after signing the contract, an interaction phase will be carried out.

NB: Oslo Municipality's seriousness requirement and environmental requirement, etc.; ref. contract formula, etc.

### **III.2.3. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
