II.1.4. Short description

OED is reviewing the need to change the policy apparatus in order to facilitate handling CO2 in waste incineration and in industry in cooperation with the involved ministries. In order to ensure the best possible expert assessment basis and good progress in the review work, we have decided to obtain external assistance from consultants. The analysis work will be based

on the existing knowledge basis, seen in connection with other relevant reviews, and will include a socio-economic consequence analysis of the policies that are assessed. See annex 1 of the contract for further details.

The notice includes an option for subsequent reviews of any new/proposed policies. If the review uncovers a clear and well-justified need to change the existing policy apparatus for CCS, and one or several measures appear as particularly relevant, the contracting authority could give the consultant the assignment of reviewing this in more detail.
