Framework agreement for the procurement of electrician services for Inderøy Municipality.

The contracting authority

Innherred Anskaffelser (former Innherred Innkjøp) is an inter-municipal collaboration between Steinkjer, Inderøy, Snåsa, Verdal and Levanger Municipalities that was established 01.01.2019.

The aim of the collaboration is to make rational, responsible, and efficient procurements on behalf of the municipalities.

We are assisting Inderøy Municipality in this procurement.

The contracting authority's contact person is:

Espen Næss.

Any questions are to be sent to the contact person via the tender management tool.

There is to be no contact/communication regarding the tender contest with other persons at the contracting authority than the named contact person.

Purpose of the procurement

The aim of the procurement is to enter into a service contract for electrician services in order to cover the need connected to the operation and maintenance of buildings and installations owned by the municipality. Inderøy Municipality would like enter into a framework agreement for this service.

The service contract is meant to cover ongoing needs within operation and maintenance, which will consist of both planned needs and unplanned needs that arise.

The aim of the contract is to ensure that the contracting authority, in accordance with the laws and regulations achieves a cost efficient and rational procurement of good quality trade services, as well as simplifying the procurements and achieving a better total economy.

A contract will be signed with 1 tenderer with a start-up as soon as possible after the new contract has been signed.
