II.1.4. Short description

This contract award notice informs interested operators about the outcome of a tender, for CAREMATRIX Phase 2 specific contracts.

On 01/11/2022, a contract notice was published as part of the EU project CAREMATRIX PCP to purchase R&D services from a number of R&D providers in parallel (PCP procurement).

The PCP procurement compared competing alternative solution approaches to address the following challenge: To anticipate and address the needs of people suffering from multimorbidity, by ensuring timely service access, co-managed care journeys and transitions. The main technical challenges to be addressed are: 20 % reduction in time spent for visits to care facilities and increased patient safety by 50 % fewer inter-organisational patient data-related incidents.

This PCP procurement is a joint procurement by different procurers across Europe that are all facing the same common challenge and are thus looking for similar solutions (so-called 'buyers group').
