2.1. Procedure

Title: Consumables, offices and cleaning, Framework agreement.

Description: Trondheim municipality invites tenderers to an open tender contest for the purpose of establishing a framework agreement with one (1) tenderer for the delivery of consumables for the municipality's entities and entities. The consumables and the requested standard assortment comprise a wide range of products, therefore the tender form is divided into two lists to simplify the preliminary work, the price evaluation and the later contract management: List 1: Sheet 1: Office supplies, school supplies and labels (including special labels for the health and welfare service). List 2: Sheet 2: Paper, plastic and cleaning products (including tissue paper, plastic sacks, cleaning chemicals as well as operation/maintenance of automatic dosing installations). In order to qualify for evaluation, tenderers must submit a tender for the entire breadth of the procurement and fill in prices for both lists and the hourly rate in route D3 in Ark 3. Absolute requirements and award criteria must also be answered in Annex 1 Requirement Specifications and award criteria. Sub-tenders cannot be submitted for only one of the lists.
