The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure Accelerated procedure Justification:

La forêt française est en situation de crise sanitaire et climatique. La sécheresse conjuguée aux attaques de parasites a imposé d'abattre les peuplements sur des dizaines de milliers d'hectares qu'il faut replanter. À la suite de cette annonce, le secteur des fournisseurs de graines et plants forestiers qui comprend un nombre restreint d'opérateurs est mis sous tension par les opérateurs forestiers qui souhaitent rapidement replanter. Ce contexte de pression sur la ressource et l'urgence pour le groupement de commande de conclure des achats avant que les plants ne soient plus disponibles conduisent à mettre en place un AOO passé en application des articles L. 2124-2, R. 2124-2 et R. 2161-2 et suivants du code de la commande publique avec application de l'alinéa 3 de l'article R. 2161-3 réduisant, pour cause d'urgence, le délai de publication à 15 jours. Afin de prendre en compte la période des fêtes de fin d'année, ce délai est porté à 30 jours.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement
Framework agreement with several operators

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no
