General public services

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

23/11333 Area zoning for Lundavang and Stuevollen

Reference number: 23/11333

**II.1.2.**

**Main CPV code**

71313410 Risk or hazard assessment for construction

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The purpose of the procurement is to enter into a contract for the purchase of an impact assessment in accordance with the established planning programme, with an option to prepare the plan documents. This will take place within a progress plan based on the assumption that the zoning plan will be submitted for consultation during the third quarter of 2024.

Molde municipality is preparing an area plan for a large area that will become a new district in Lundavang. In connection with this, Molde municipality needs to purchase supplier services to prepare an impact assessment for the entire area at Lundavang and Stuevollen in accordance with political decisions. This contest does not concern the engineering design of individual buildings or installations. The area may be reduced as a result of prioritisation in the further planning work.

**II.1.5. Estimated total value**

Value excluding VAT: 2 850 000,00 NOK

**II.1.6. Information about lots**

This contract is divided into lots: no

**II.2. Description****II.2.2. Additional CPV code(s)**

71410000 Urban planning services

**II.2.3. Place of performance**

NUTS code: NO0A3 Møre og Romsdal

**II.2.4. Description of the procurement**

The purpose of the procurement is to enter into a contract for the purchase of an impact assessment in accordance with the established planning programme, with an option to prepare the plan documents. This will take place within a progress plan based on the assumption that the zoning plan will be submitted for consultation during the third quarter of 2024.

Molde municipality is preparing an area plan for a large area that will become a new district in Lundavang. In connection with this, Molde municipality needs to purchase supplier services to prepare an impact assessment for the entire area at Lundavang and Stuevollen in accordance with political decisions. This contest does not concern the engineering design of individual buildings or installations. The area may be reduced as a result of prioritisation in the further planning work.

**II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

**II.2.6. Estimated value**

Value excluding VAT: 2 850 000,00 NOK

**II.2.7.**

## **Duration of the contract, framework agreement or dynamic purchasing system**

Start: 14/11/2023 End: 30/06/2024

This contract is subject to renewal: no

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: yes

Description of options:

When an impact assessment has been prepared and a recommended alternative is available, a planning proposal must be prepared for this alternative. Preparation of the plan documents is an option. See page 8 of the tender documentation for a more detailed description.

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established. Documentation requirement: - Norwegian companies: Company Registration Certificate. - Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Tenderers must work systematically to fulfil the requirements in the legislation for health, safety and environment. Documentation requirement: Completed Self-Declaration for Health, Safety and Environment (HSE) (attached as chapter 7.2).

Tenderers must comply with the ethical requirements in the ILO convention no. 94 as well as the Norwegian wage and labour conditions. Documentation requirement: Completed Self-Declaration on Ethical Rules for Procurements (attached as chapter 7.3).

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Tenderers must have their payments of public tax and duty in order.

Minimum level(s) of standards possibly required:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement: Annual accounts for the previous 3 years, including accounts with notes as well as the auditor's statement.

- Documentation is not required from Norwegian suppliers. The contracting authority will verify accounting information and key figures from the Brønnøysund Register Centre.

- Additional information the supplier finds necessary to give in order to substantiate the financial position shall be attached the tender without request from the contracting authority.

- The contracting authority can also require further documentation if there are uncertainties in the above requested information.

Tenderers must have their payments of public tax and duty in order. Documentation requirement: - Only applies to Norwegian tenderers: Tax certificate, not older than 6 months at the tender deadline.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Minimum level(s) of standards possibly required:

Tenderers must have experience from comparable assignments. Documentation requirement:

A description of the tenderer's 3 most relevant assignments in the the last 5 years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). The assignments must be relevant to the zoning of transformation areas in urban areas of similar complexity. It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

## **III.2. Conditions related to the contract**

### **III.2.3. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
