Additional information can be obtained from the abovementioned address  
Tenders or requests to participate must be submitted electronically via: <https://tendsign.no/doc.aspx?Uniqueld=afdgxwmjdn&GoTo=Tender>

**I.4. Type of the contracting authority**

National or federal agency/office

**I.5. Main activity**

Education

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Reduction system for AMS dating  
Reference number: ANSK-0415-23

**II.1.2. Main CPV code**

38433100 Mass spectrometer

**II.1.3. Type of contract**

Supplies

**II.1.4. Short description**

The sample preparation for carbon dating requires the reduction of the sample's CO<sub>2</sub> to pure carbon. A lack of capacity of the reduction system creates a bottleneck in the laboratory and limits the number of samples that can be dated. We expect the number of samples to remain stable or increase in the coming years. We would also like available capacity for research projects and research collaboration.

#### **II.1.5. Estimated total value**

Value excluding VAT: 3 176 000,00 NOK

#### **II.1.6. Information about lots**

This contract is divided into lots: no

### **II.2. Description**

#### **II.2.3. Place of performance**

NUTS code: NO060 Trøndelag

#### **II.2.4. Description of the procurement**

The sample preparation for carbon dating requires the reduction of the sample's CO<sub>2</sub> to pure carbon. A lack of capacity of the reduction system creates a bottleneck in the laboratory and limits the number of samples that can be dated. We expect the number of samples to remain stable or increase in the coming years. We would also like available capacity for research projects and research collaboration.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6. Estimated value**

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

End: 30/01/2024

This contract is subject to renewal: no

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: no

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

#### **II.2.14. Additional information**

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must have the following registrations and authorisations in order to fulfil the suitability requirement:

Requirement: Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation Requirement: Norwegian companies: eBevis or a Company Registration Certificate. Foreign companies: Verification that the company is registered in a company register, professional register or a trade register in the country where the tenderer is established.

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must document that they have sufficient economic and financial capacity to execute the contract. If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

Requirement: Tenderers must have good credit worthiness without a requirement for security.

Documentation requirement: A credit rating based on the most recent fiscal figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must document that they have sufficient technical and professional qualifications to fulfil the contract.

Requirement: Tenderers must have experience from comparable assignments.

Documentation requirement: Description of the tenderer's most relevant assignments, such as tenderers of the radiocarbon laboratories for the academic sector or similar. The assignment must be similar in size and complexity to NTNU, along with the value, date and recipient (name, telephone and email).

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**
