Activity of the contracting authority: Health

2. Procedure

2.1. Procedure

Title: Prequalification: Angiolab for the hybrid hospital at Sørlandet Hospital HF Kristiansand.

Description: Sørlandet Hospital shall establish a hybrid operating theatre in a new emergency building at Kristiansand and has a need to procure a modern angiography system with integrated operating tables, monitor systems and contrast injector. The aim is to establish a combined treatment arena for advanced surgical, endovascular and hybrid procedures. The new emergency building for Sørlandet Hospital Kristiansand is expected to be completed in May 2029.

Procedure identifier: 5b765254-0f6f-42a3-af27-7d4dd2538ba1

Internal identifier: 2026/84822

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: Sørlandet Hospital shall establish a hybrid operating theatre in a new emergency building at Kristiansand and has a need to procure a modern angiography system with integrated operating tables, monitor systems and contrast injector. The aim is to establish a combined treatment arena for advanced surgical, endovascular and hybrid procedures. The system shall be suitable for i.a. vascular surgery, EVAR, trauma treatment, emergency health procedures, mechanical thrombectomy and other advanced intervention and surgery procedures. Complete screen system, contrast injector, extra table top, adequate lead protection and any accompanying roof rails shall be included in the procurement. An option is also wanted for 4 complete angiostus equivalent to the main delivery to the health authorities in Helse Sør-Øst, as well as an option on several level service agreements and courses for medical technical engineers and physicists. See the Requirement Specifications and the Price Form for further details.

5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document Request, Procurement Document, Notice

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers must have sufficient economic and financial capacity to fulfil the contractual obligations. Economic and financial capacity means that the Tenderer fulfils the following requirements: Credit rating equivalent to A or better, measured against the AAA Soliditet's scale - or equivalent score from other reputable rating company.

The contracting authority will evaluate the tenderer's fulfilment of the qualification requirements in the following manner: • Credit rating, not older than six months, and which is based on the last known fiscal figures. • If the tenderer has a justifiable reason for not submitting the documentation that the contracting authority has required, the tenderer can prove its economic and financial capacity by any other document, including a commitment statement, parent company guarantee, bank guarantee etc. The contracting authority reserves the right to obtain a credit report in www.soliditet.no (provided by Bisnode Credit AS/Dun & Bradstreet) in order to verify that the Tenderer has sufficient economic and financial capacity to fulfil the contractual obligations.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Criterion: References on specified deliveries

Description of selection criterion: Tenderers shall have sufficient technical and professional qualifications to fulfil the contractual obligations. The contracting authority will evaluate the tenderer's fulfilment of the qualification requirements in the following manner: State deliveries of the same or equivalent type of product offered in the competition for the last three years. Documented in the Reply Form References.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Information about the second stage of a two-stage procedure:

Minimum number of candidates to be invited for the second stage of the procedure: 3

The procedure will take place in successive stages. At each stage, some participants may be eliminated

The buyer reserves the right to award the contract on the basis of the initial tenders without any further negotiations
