### **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Requirement: Tenderers must be registered in a company register or a trade register in the country where

the tenderer is established. Documentation requirement: Norwegian companies: Company Registration Certificate. Foreign

companies: Documentation that the company is registered in a trade register or a Register of Business Enterprises in accordance with

the laws of the country where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Requirement: Tenderers must not have significant deviations in their reporting obligations to the tax authorities. Requirement: Tenderers are required to have sufficient economic and financial capacity

to fulfil the contract. Tenderers must as a minimum be credit worthy.

Minimum level(s) of standards possibly required:

Documentation requirement: Norwegian companies: For documentation, the contracting authority will obtain expanded

tax information from the Norwegian Tax Administration via power of attorney that the tenderer must

present (see annex 1.6). Tenderers must submit any approved repayment plan.

Foreign companies: Certificate issued by the competent authority in the tenderer's home country that

confirms that the tenderer has fulfilled their tax obligations in accordance with

the legislation applicable to where the tenderer is established. Documentation must be submitted in

Norwegian/Scandinavian language/English. A translation must be attached to the original certificate. Documentation requirement:

For documentation, the contracting authority will obtain a credit rating for Nordic applicants.

The contracting authority subscribes to services from Bisnode (D&B). Tenderers must, as a minimum, achieve a

rating of A (credit worthy). It is assumed that tenderers are familiar with the registered information on the company, and consent with their tender submission to the information being obtained and used as a basis for the assessment of the tenderer's financial

circumstances. If there is doubt as to

whether a tenderer meets the requirement, the contracting authority may require further documentation on

the financial capacity. In the case of mergers/buy-outs/new establishments, a tenderer can be evaluated

separately. Foreign companies: Applications from outside Scandinavia must themselves present a credit rating

that documents that the credit worthy requirement equivalent to A - credit worthy is met.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Requirement. Tenderers must have sufficient experience to execute the assignment.

Requirement: Tenderers must

have the necessary capacity and competence to meet the needs associated with delivery of the assignment.

Minimum level(s) of standards possibly required:

The requirement is considered to be fulfilled if a tenderer can demonstrate three reference projects preferably from the last 5

years, with the following characteristics: - The tenderer has completed and had responsibility for

equivalent deliveries. For tenderers who submit tenders jointly, or who rely on other companies' resources in order to fulfil the qualification requirements, this requirement must

be met in full by the company that will have the coordination role in the project.

Documentation requirement: The contracting authority has prepared a form that the tenderer must use for

responses to both this qualification requirement and the selection criterion in point 4.4. (See Annex 1.1).

The form states what information tenderers must provide. Documentation requirement:

Tenderers

must submit an overview of staffing for this assignment, for example: - A description of the organisation for the assignment (organisation chart or similar) including planned staffing

and/or

key roles.
