II.2.4. Description of the procurement

The tender contest includes sludge emptying and flushing of the municipal network.

The tender contest also includes emptying of sludge from private plants in Ås, Frogn and Vestby. Nesodden shall have an option for entering this part of the service during the contract period.

The tender contest also includes emptying of drains/sand traps for Vestby, Ås and Nesodden. Nesodden and Ås municipalities are considering in-house implementation of the service during the contract period. Nesodden and Ås municipalities may therefore withdraw from the agreement for this area in case of a change as listed above.

The municipalities need pipe inspections and mirroring of pipes and sewage pipes.

The tenderer shall upon request from the Contracting Authority present proposals for emptying schedules, based on emptying assignments this year, as well as local requirements. The tenderer may also be asked to carry out sludge disposal, emptying of sand traps and flushing of pipe networks in case of operational problems and cleaning of sewage pump sumps, as well as pipe inspections.

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Registered in a trade register or company register.

Tenderers must be registered in a company register or trade register in the member state where the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Minimum level(s) of standards possibly required:

Tenderers are required to have a minimum credit rating equivalent to B, Moderate risk, from Proff Forvalt. Documentation requirement: Where a tenderer is registered with a credit rating in Proff Forvalt, the contracting authority will use Proff Forvalt to assess fulfilment of the requirement. Norwegian tenderers registered in Proff Forvalt do not, therefore, need to submit documentation for this. The Contracting Authority reserves the right to demand/obtain further information in order to verify that the tenderer fulfils the requirement. If a tenderer chooses to use a parent company to fulfil the requirement, a parent company guarantee must be enclosed. The contracting authority will then use Proff Forvalt to assess the parent company's credit rating. If a tenderer has valid reasons (e.g., newly founded company) for not being able to provide the documentation requested by the contracting authority, the tenderer can document their economic and financial capacity with any other document that the contracting authority deems suitable.
