II.1.4. Short description

The purpose of this call for tenders is to provide support for the ENISA work in the area of electronic identification, digital wallets and trust services, throughout the years 2023-2025. ENISA will continue its work on supporting public and private bodies in implementing the eIDAS Regulation by addressing technological aspects and building blocks for trust services, electronic identities and digital wallets. The actual projects to be covered will depend on the actual text of the eIDAS revision and the output of the ToolBox process for a coordinated approach towards a European Digital Identity framework. Moreover, the interplay between NIS2 Directive and eIDAS revision will be included covering cybersecurity and governance requirements.

Aspects to be covered will be agreed with the EC and MS through the eIDAS related experts groups (ENISA ECATS/former ENISA Article 19 EG, eIDAS Cooperation Network, eIDAS EG, Forum of European Supervisory Bodies / FESA).
