#### **II.1.4. Short description**

1 - Invitation

Surnadal municipality, department for technical operations, invites tenderers to an open tender contest for "Upgrading of municipal roads in the Syltøran industrial area/Footpath along FV6152"

1.2 Brief introduction to the procurement

Surnadal municipality will construct a new municipal access road with pavement to the industrial area in Røtet, with associated street lighting. The road will be connected to county road 6152 by the construction of a new junction area. The length of the new municipal road is approx. 430 m, along which water and sewage will be established.

In addition, a new footpath will be constructed along the county road, from the new junction area to the existing junction at Byggmakker, at a length of approx. 360 m.

Installation of street lighting along the county road/footpath from the new junction area to Øra bridge.

Surnadal municipality is the builder for the entire project.

The deadline for the asphalt surface to be completed is: 1 October 2024.
