General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

PARTNERING CONTRACT FOR A NEW TREATMENT PLANT, KONGSBERG MUNICIPALITY

II.1.2. Main CPV code

45252000 Construction works for sewage treatment plants, purification plants and refuse incineration plants

II.1.3. Type of contract

Works

II.1.4. Short description

Kongsberg municipality shall construct a new treatment plant for treatment of the sewage water from the town of Kongsberg. The treatment plant shall be located in Sellikdalen, in the same area as the current treatment plant. The plant shall have a capacity for treatment of an organic load equivalent to 40 000 PE.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45252200 Purification plant equipment, 45252210 Water purification plant construction work

II.2.3. Place of performance

NUTS code: NO082 Viken

Main site or place of performance: Kongsberg Municipality.

II.2.4. Description of the procurement

This tender notice applies to the machinery and processing part of the plant. As well as the necessary structural work in the development phase is deemed necessary to implement to carry out phase 2 as described. This may be pools and areas necessary for the implementation of the processing part of the plant. The structural works that are not affected by the process are planned to be executed in a separate contract.

A contract shall be signed for a partnering phase 1 - development phase, to work out a suitable treatment and sludge management process. This shall be continued in a contract for partnering phase 2 - execution phase (detailed engineering design and construction).

A comprehensive description of the contract is attached in the tender documentation part 2 and annexes.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 13/02/2023 End: 31/12/2025

This contract is subject to renewal: no

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Norwegian companies: Company registration certificate

Foreign tenderers: Verification that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Minimum level(s) of standards possibly required:

Minimum requirement: Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Reference projects: Partnering contractor

The partnering contractor must have experience from assignments of the same nature, complexity and scope, cf. the description of the assignment in the tender documentation's part 2.

Minimum level(s) of standards possibly required:

A description of the tenderer's three most relevant contracts in the course of the last seven years.

The description shall be given on the contracting authority's template for listing references, see annex 1.4.

Please refer to reference projects that have been carried out as two-part contracts or as partnering contracts, or other projects with a high degree of cooperation between the builder and the contractor.

It is the tenderer's responsibility to document relevance through the description of the reference projects.

The contracting authority reserves the right to contact the reference persons.

The tenderer can document experience by referring to the competence of the personnel at his disposal that may be involved in this assignment, even if the experience was acquired in the service of previous employers.
