2.1. Procedure

Title: Framework agreement - provision of temporary staff services operation
Description: Trondheim Renholdsverk AS, hereafter called the Contracting Authority, invites tenderers to an open tender contest for a framework agreement for temporary staff services operation.
Procedure identifier: 5820a827-75d2-4ff5-94c9-a5ad5dc77d9a
Internal identifier: 26/00204
Type of procedure: Open
The procedure is accelerated: no
Main features of the procedure: The Contracting Authority needs a framework agreement for the provision of temporary staff services for the entity's operational areas. The objective of the procurement is to ensure access to qualified personnel for temporary staffing needs, so that daily operations can be maintained in a proper and efficient way. The need for hire will vary throughout the contract period and will i.a. be connected to sick leave, leave, holiday leave, seasonal swings, extraordinary workloads as well as periods where permanent positions are being recruited. The temporary staff services shall mainly cover the contracting authority´s needs for temporary absences from own employees and other legal hire of labour in accordance with the current rules. Most of the current temporary staff needs are within the operational area Collection and transport, where drivers and aid workers are particularly requested for refuse collection vehicles. In addition there will be a need for temporary staff within several of the contracting authority´s other operational departments, including: Personnel at the recycling station, Operational personnel at Brukom (shop and stores)Other relevant operational and support functions as needed The service provider must be able to obtain qualified personnel with the necessary competence, certificates and experience for the relevant assignments. There will be requirements for driving licences, professional driver´s competence, machine driver´s licences or other relevant documented competence for some positions. The stated need and any volume estimates are only based on the contracting authority´s best assessment at the time of this notice. The scope can, therefore, vary throughout the contract period and the estimates do not involve any obligation to buy for the

contracting authority. A minimum volume under the agreement is not guaranteed. The procurement shall contribute to flexibility and continuity in the service production, while ensuring access to qualified temporary staff resources as needed.
