General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Emptying and delivering septic sludge from private sewer systems in Åsnes Municipality and Våler Municipality.

Reference number: 22/890

II.1.2. Main CPV code

90513600 Sludge removal services

II.1.3. Type of contract

Services

II.1.4. Short description

Åsnes Municipality and Våler Municipality, hereafter called the contracting authority, would like to enter into a contract for emptying sludge. A contract will be signed with one tenderer. Åsnes and Våler Municipalities are thus extending an invitation to an open tender contest for emptying and delivery sludge from private sewer systems.

II.1.5. Estimated total value

Value excluding VAT: 7 800 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

90513700 Sludge transport services, 90513800 Sludge treatment services

II.2.3. Place of performance

NUTS code: NO020 Innlandet

II.2.4. Description of the procurement

Åsnes Municipality and Våler Municipality, hereafter called the contracting authority, would like to enter into a contract for emptying sludge. A contract will be signed with one tenderer. Åsnes and Våler Municipalities are thus extending an invitation to an open tender contest for emptying and delivery sludge from private sewer systems

The assignment will mainly consist of emptying sludge from private sewer systems and inspecting private sewer systems when emptying them. In addition the sludge is to be transported in Våler Municipality from Eidsmoen treatment plant and Ranum treatment plant to the sludge lagoon at Haslemoen.

The assignment is for emptying sludge from private sewer systems in dispersed settlements, which the municipality is obliged to carry out pursuant to the Pollution Act § 26.

See annex 2 - requirements specification with response form for further details on the service that will be procured.

The total value of the contract over 2 years is estimated to be approx. NOK 3.6 million, excluding VAT.

The procurement's estimated value is based on historical figures. The estimated value in the tender documentation and annexes is not binding for the company, nor does it give the tenderer any rights.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 7 800 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 28

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Option for 1+1 year.

The total value of the contest is based on a contract period of 28 months + an option for 12 month + an option for 12 months, total 52 months.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Norwegian tenderers: Company registration certificate.

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Credit rating (equivalent to score A (credit worthy) or better, measured on the Bisnode Norge AS AAA rating system, or equivalent score from other reputable credit rating agencies) that is based on the last known accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

Tax certificate not older than 6 months.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have the professional competence to carry out the assignment, and have experience from comparable assignments. Driving licence for the relevant motor vehicles. Documented upon request.

Tenderers are required to have sufficient machinery, equipment and capacity, minimum a large sludge suction vehicle and a vehicle with flushing options. Vehicles used in the contract must, as a minimum, meet the EURO 5 standard.

Tenderers are required to have a KOMTEK sludge emptying field that allows electronic registration in the field.

Communication language: Norwegian.
