Nye Tøyenbadet (New Tøyen Swimming Pool — Plumbing Works K300)

Reference number: websak 20/65

**II.1.2. Main CPV code**

45330000 Plumbing and sanitary works

### **II.1.3. Type of contract**

Works

### **II.1.4. Short description**

Oslo kommune v/Kultur- og Idrettsbygg Oslo KF (KID) (Oslo Municipality, c/o the Municipal Undertaking for Culture and Sports Facilities), hereafter called the contracting authority, invites tenderers to participate in an open tender contest for the procurement of 'New Tøyen Swimming Pool — Plumbing Works K300'. The New Tøyen Swimming Pool is planned to replace the current Tøyen Swimming Pool. The new swimming pool is planned to be completed in the first quarter of 2024. The New Tøyen Swimming Pool will be Oslo's largest and best swimming pool with a varied swimming offer. The facility will contain both an indoor facilities (approx. 15 000 m2) and an outdoor swimming pool.

The project is divided into multiple contracts: this procurement concerns a contract for plumbing works to establish the new Tøyen swimming pool, based on NS 8405, as well as Oslo Municipality's associated contract formula. The works also include special coordination with the contract for delivery and assembly of steel pools and water treatment systems for all pools, as well as indoor and outdoor slides.

For further details refer to the tender documentation and Annexes.

### **II.1.5. Estimated total value**

### **II.1.6. Information about lots**

This contract is divided into lots: no

## **II.2. Description**

### **II.2.2. Additional CPV code(s)**

45000000 Construction work, 45300000 Building installation work, 45332000 Plumbing and drain-laying work

### **II.2.3. Place of performance**

NUTS code: NO011 Oslo

Main site or place of performance: Tøyen in Oslo Municipality.

### **II.2.4. Description of the procurement**

The contracting authority invites tenderers to participate in an open tender contest for the procurement of 'New Tøyen Swimming Pool - Plumbing Works K300'.

The procurement concerns a contract for plumbing works to establish the new Tøyen swimming pool, based on NS 8405, as well as Oslo Municipality's associated contract formula.

The works also include special coordination with the contract for delivery and assembly of steel pools and water treatment systems for all pools, as well as indoor and outdoor slides.

For further details refer to the tender documentation and Annexes.

### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6. Estimated value**

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 34

This contract is subject to renewal: no

### **II.2.10.**

## **Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: yes

Description of options:

Refer to the tender documentation and Annex for options in the execution phase.

The contracting authority will have an option for operation and maintenance in the guarantee period, i.e. up to 5 years.

This contractual relationship will be governed by Oslo Municipality's standard contract terms for trade services and associated contract formula. For further information refer to the tender documentation and Annexes.

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

An interaction phase involving all engaged contractors will take place after contract signing.

Refer to Annex B.3 Interaction process that describes this phase.

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tax certificate:

The selected tenderer will be required to present a tax certificate and a VAT certificate. The tax certificate must not be older than 6 months old at the deadline for submitting a request for participation in the competition or tender. For building and construction contracts, the tenderer shall require an equivalent tax certificate from all sub-suppliers when contracts are signed for the assignment with a value exceeding NOK 500 000 excluding VAT.

Company registration certificate:

Requirement:

- tenderers must be a legally established company.

Documentation requirement:

- Norwegian companies: company registration certificate;
- foreign tenderers: verification that the company is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Requirement:

— Sufficient financial capacity to fulfil the assignment. Under this point the contracting authority will assess credit worthiness, turnover, annual results and key figures in the balance sheet.

— Annual minimum turnover of NOK 50 million.

Documentation requirement:

- The company's last annual financial statements or extracts thereof if the publication of the annual financial statements is required in the state where the tenderer is established.
- Credit ratings, no older than 6 months (The contracting authority reserves the right to obtain separate credit information.).

Minimum level(s) of standards possibly required:

See the tender documentation and Annexes.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Requirement:

Tenderers are required to have sufficient experience with the execution of equivalent assignments of equal complexity and scope at company level.

Documentation requirement:

A description must be given of 2-4 reference projects with a transferable value from the last 5 years, with information on, amongst other things:

- the name of the project;
- the contracting authority and a reference person;
- the project's size and cost;
- type of contract and the company's assignment/role in the project;
- type of works.

All of the above points are to be responded to per project.

In order to ensure sufficient competition, documentation of assignments carried out more than 5 years ago will also be taken into consideration.

Minimum level(s) of standards possibly required:

See the tender documentation and Annexes.

## **III.2. Conditions related to the contract**

### **III.2.2. Contract performance conditions**

The contractual relationship will be governed in accordance with NS 8405 and the associated standard contract terms for Oslo Municipality. An interaction phase will be held after the contract has been signed.

The contract contains a number of provisions in accordance with the Oslo Model with particular focus on serious working life and the environment. For further information refer to the tender documentation and Annexes.

The contracting authority will have an option for operation and maintenance in the guarantee period, i.e. up to 5 years.

This contractual relationship will be governed by Oslo Municipality's standard contract terms for trade services and associated contract formula.

Also refer to the tender documentation and Annexes.

### **III.2.3. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**
